Aptitude Test in Engineering (ATE) -2025

Aptitude Test in Engineering (ATEiic) is an eligibility entrance examination introduced by IIC that serves as a gateway for all academic programs offered by the institute (Postgraduate and Advanced Diploma). Admission to regular programs (non-HTD) will also be based on marks obtained in the ATEiic. Applicants have the opportunity to express their course preferences during the admission procedure. This time, the **ATEiic aptitude test will be conducted online.** There is **no age limit for joining the Post Graduate or AD programs if the candidate has successfully cleared the ATEiic exam.** However, age restrictions apply for HTD* aspirants
