

Notification

The Indian Institute of Infrastructure and Construction (IIIC), established by the Kerala Academy for Skills Excellence (KASE) under the Department of Labour and Skills of the Government of Kerala, invites applications from graduate engineers for the Academic Year 2026-2027. Admissions to regular programs such as **Post Graduate programs of one-year duration** and **Advanced Diploma programs of six-month duration**, as well as to the **Hire-Train-Deploy (HTD) scheme**, are based solely on achieving the qualifying score in the Aptitude Test in Engineering (ATEiic). The test will be conducted in the second week of June. In the regular program, after successful completion of the training, trainees will receive placement opportunities with companies in India and abroad. Prospective trainees can apply online via the admission portal at www.iiic.ac.in. The application fee of Rs.600/ can be paid online at the time of application. The last date of receipt of the application is 5th June 2026.

Aptitude Test in Engineering (ATEiic) -2026

Aptitude Test in Engineering (ATEiic) is an eligibility entrance examination introduced by IIIC that serves as a gateway for all academic programs offered by the institute (Postgraduate and Advanced Diploma). Admission to regular programs will also be based on marks obtained in ATEiic. **ATEiic will be conducted online.** There is no upper age limit to appear for ATEiic for admission to the regular programs

Eligibility of applicant for appearing ATEiic Examination 2026

- B.Tech Civil / Mechanical /Production/ Electrical /B.Arch/ B.Sc/BA Geography/or equivalent graduates with a minimum of 60% Marks.
- Final year students pursuing B.Tech/BE in Civil// Mechanical / Production/Electrical/ B.Arch B.Sc/BA Geography, expected to graduate by September 2026.

Indian Institute of Infrastructure & Construction

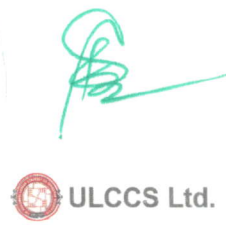

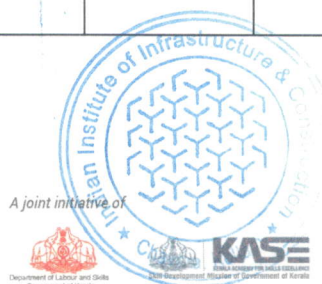

Hire-Train-Deploy (HTD) Program

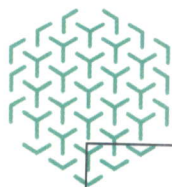

From among the applicants to the HTD program, top performers in the ATEiiic aptitude test, group discussion, and interview will get an opportunity to join the HTD program offered by different companies. In this program, selected Graduate Engineer Trainees will be hired by the companies. Such candidates will receive an offer letter and will undergo training at IIIC for six months or one year. Candidates selected by the company must follow the mandatory terms and conditions, including the eligibility criteria specified by the respective company
